

ACROSTIC #18
by Accipiter

Instructions: Solve the cryptic clues, and enter the answers in the blank spaces on the right. Transfer the letters to the corresponding numbered squares in the grid. The grid will reward you with a quotation. The first letters of the clue answers, reading down, reveal the name of the author and title of the work. Merriam Webster's *Collegiate Dictionary*, 11th edition, was used in constructing this puzzle. Two clue answers are familiar foreign terms, one of which is not in Webster. As always, I am grateful to Claire Trazenfeld for her skill and patience as test solver. For credit, please submit author, title, and last word of the quotation by October 20, 2004, to mdunphy@hvc.rr.com.
